

GUCA Scholarship Foundation Club

In 2015, 11 scholarships were given out of 16 applications. The GUCA Scholarship Foundation will offer scholarship opportunities to members' children again in 2016 for high school graduating seniors and industry specific degree program college students. With the rising costs of college tuition, high school seniors and college students are finding it more difficult than ever to attend college without obtaining large student loans. According to the College Entrance Examination Board, the average cost of a four-year public college or university in 2015 will be \$27,210.00 per year. On average, college tuition increases about six percent each year.

The GUCA Scholarship Foundation Program was established to help ease the financial burden of a higher education degree and promotes the development of a more competent workforce for the future. We need the commitment of all to accomplish this goal. Each year, the GUCA Scholarship Foundation holds a sporting clay event to raise money for the Foundation. In addition, we have created other avenues in which you can contribute to the Foundation.

Donations are being accepted by several means. You or your company can donate to the Foundation Club. Club levels include:

Friends	Up to \$999
Benefactors	\$1,000 to \$4,999
Patrons	\$5,000 to \$9,999
Champions	\$10,000 to \$19,999
