

Member Information Update Sheet

Please Help Us Update Our Database

So We Can Deliver Time Sensitive Information to Your Company Employees

GUCA continues to communicate more through emails and faxes to help us conserve on postage and expense of mailings. Also, time sensitive information reaches members in an expedited manner. GUCA sends weekly E-Pipelines to its members to keep them updated on: Industry/Legislation, Safety/Education, Association and Event News. Many member employees ask for this information but we do not have their email on file.

To continue to receive timely update information for your employees, please provide us with the necessary information by completing the form below for those you wish to receive GUCA E-pipelines. After completing, simply fax back to the GUCA office at (404) 362-9211.

GUCA Member Company: _____

Name: _____ Email address: _____

Name: _____ Email address: _____

Name: _____ Email address: _____

Name: _____ Email address: _____

Name: _____ Email address: _____

PLEASE NOTE: GUCA DOES NOT EVER DISTRIBUTE OR SHARE YOUR EMAIL ADDRESS.

Fax number: _____ Do not print fax number in directory or share with others.
(Your fax number is kept confidential if you let us know in advance. Otherwise, it is printed in the GUCA directory that goes out to all members.)
