GUCA Contractor Civil Site Services, Inc. Clears and Grades Little League Baseball Field

FOREST PARK, GA - Georgia Utility Contractors Association, Inc. (GUCA) member Civil Site Services, Inc. cleared and graded two acres of land for the New Hope Methodist Church Little League Baseball Field in Inman, Georgia. The clearing of the land will enable boys and girls from surrounding areas to enjoy the game of baseball that otherwise may not have been made available to the children.

Civil Site Services provided 3 workers and approximately 140 man-hours to help complete this project. In addition, Civil Site Services provided two front end loaders to perform the clearing and a dozer to perform finish grade on the project for a total value of services around \$16,000.00.

Civil Site Services, Inc. is no stranger to community service projects and has worked on numerous community service projects throughout Georgia. If your community has a utility construction community service need, contact GUCA at 404-362-995 for further assistance.

Georgia Utility Contractors Association, Inc. is a non-profit state trade association located in metro Atlanta representing more than 330 contractor and affiliated firms statewide. GUCA represents the workforce that supplies, installs and rehabilitates the infrastructure of water, sewer, gas, electrical, telecommunications and other underground utility systems for the public and private sector including pipe and plant installation. For more information about GUCA, please visit www.guca.com.
