

HELP US HELP OTHERS

The 2017-2018 **GUCA Community Service Committee**, chaired by Jody Rogers, Y-Delta, Inc., and Jason Ray, Archer Western Construction, LLC, is kicking off the Community Service Committee project by helping the Veterans Empowerment Organization (VEO).

VEO has served more than 2,000 homeless veterans in Georgia since 2008. VEO's mission is "To Enhance The Quality of Life For All Veterans On Their Road To Self-Sufficiency." Visit their website to find out more about this organization at www.veohero.org.

VEO is a true triage for unsheltered veterans on their journey from the streets to an empowered life. Their vision is to end veteran homelessness and return the dignity of self-sufficiency to every veteran they serve.
