NUCA has joined the many other associations who have formed The Construction Industry Alliance for Suicide Prevention whose mission is to bring the recognition of mental illness and suicide risk out in the open.....LET'S START THE CONVERSATION!

Who Should Attend

Owners, Executives, CFOs, CEOs, Safety/Risk Management, and Human Resource Professionals

Why Attend

-The **construction industry** is #2 for percentage, and #1 for number of employee deaths by suicide.

-More than 43,000 suicides occur annually, exceeding the number of deaths due to car accidents.

-Suicide is the second leading cause of death among men aged 25 –54
