- Do you have a certified competent person on each job site when excavating over four feet?
- OSHA requires that you have a competent person on site while workers are present and the excavation is open. Required by the current OSHA Standard, 29 CFR 1926.650 Sub Part P.
- Satisfies the state of Georgia required "Trenching & Excavation" training for the Utility Foreman Certificate or Utility Manager License.
- Scope: This sub-part applies to all open excavations made in the earth's surface. Excavations are defined to include trenches.

This class is approved by the Georgia Construction Industry Licensing Board and meets partial requirements for the Utility Manager License and the Utility Foreman Certification.
